By discussing these feasts, and this astronomy we are NOT advocating the observance of Jewish feasts or holidays. The scripture is CLEAR that we are COMPLETE in Christ and we are no longer encouraged or required to observe Jewish days, feasts, or holidays. To do such would be to go back under the Law, at least in some measure. NT believers, Jew or Gentile, should NOT observe these feasts, etc. **Colossians 2:8-23 is VERY CLEAR on this matter.** However... since God Himself created planets, moons, stars, galaxies, solar systems, and because He is the one that instituted and timed these feasts under the OT, we CAN INDEED learn from their significance and Divine coincidences! This is DIFFERENT than ASTROLOGY (occult practice) which is evil, and that seeks guidance apart from God or His Word based on stars, etc. “The Cross + Nothing – Nothing!”
